FRANKLAND PRESS

Frankland Community School's Newsletter

Message from the Staff

Hello Frankland Families,

We hope you had a lovely weekend and the chance to enjoy the brilliant fall colours, along with the warm, unseasonably summer-like temperatures. It's been a beautiful time to be outdoors and soak in the changing season.

Thank you so much for joining and supporting our **Terry Fox Run, Walk, and Roll** on September 29th! It was wonderful to see so many families come out, both for the run at Withrow Park and for the Kindergarten event in the school field. Your participation truly made it special. Our school's goal was to raise $3,000 in support of Terry's Marathon of Hope and cancer research in Canada. Thanks to your incredible generosity, we not only reached that goal, we surpassed it, raising a total of $3,168! Together, Frankland Falcons and families are keeping Terry's Marathon of Hope alive and continuing his legacy of courage and determination.

On September 30th, our school gathered for a **National Day forTruth and Reconciliation** assembly. The assembly was led by students who shared reflections on the meaning of Orange Shirt Day and the message that "Every Child Matters". They spoke thoughtfully about reconciliation and the history of residential schools offering insights and reflections. We ended the assembly with the song "We Won't Forget You", honouring Indigenous children, families, and communities. This important learning will continue throughout the year, as we deepen our understanding of truth, reconciliation, and Indigenous perspectives across the curriculum.

Please join me in celebrating **World Teachers' Day** that is held annually on October 5th, to celebrate educators around the world. Let's take a moment to recognize and appreciate the phenomenal educators at Frankland CS for their dedication, compassion, and kindness. We are fortunate to have such an incredible team of professionals supporting our students as they learn, grow, and thrive.

Save the Date, **Tuesday October 7, 2025 for Open House with Curriculum sharing.** Parents, Guardians, and Caregivers are invited to join us in the Gym for a 6:00 pm start. Doors will open at 5:50 pm. There will be 3 sessions to visit your child(ren)'s classroom. One at 6:30 to 6:50 pm, the second at 6:50 to 7:10 pm, and the last at 7:10 to 7:30 pm. Please note that this is an opportunity to visit the classroom, speak with the educators about curriculum, routines, and items pertaining to the whole class. It is not an individual Parent/Guardian-Teacher Conference. If you wish to speak with the educators before then, please contact them to make an appointment. We are looking forward to seeing everyone on Tuesday.
